Substance of Interview including description of the general nature of what was agreed to if an agreement was reached, or any other comments:

Applicants contacted Examiner to inquire why the amendments presented in the after final amendment were considered new limitations not previously considered. Applicants pointed to claim 4, for support of the amendment to claim 1 as a limitation previously presented. Examiner noted that it appeared that other pending claims also encompassed the proposed amendments presented in the after final amendment. Because the claim amendments were previously considered, Examiner agreed to enter and consider arguments in the after final amendment.

(A fuller description, if necessary, and a copy of the amendments which the examiner agreed would render the claims allowable, if available, must be attached. Also, where no copy of the amendments that would render the claims allowable is available, a summary thereof must be attached.)

i) ☒ It is not necessary for applicant to provide a separate record of the substance of the interview (if box is checked).
